

Prayer of the Holy Wounds

+By Your Holy Sores
+Your Glorious Sores
+Christ Lord, protect me and save me.

Lord Jesus, You were raised on the cross, in order that by Your Holy Sores, those of our souls are healed.

I praise You and thank You for Your redemptive act.

You carry in Your own body my sins and of all mankind.

In Your Holy Sores, I place my intentions,

My worries, anxieties and anguishes.

My physical and psychological illness.

My sufferings, pains, joys and needs.

(moment of silence)

In your Holy Wound, I put my family.

Oh Lord, involves me and my family, protecting us from evil.

Lord, by showing Your Glorious Holy Wounds to Thomas and having him touch Your open side, You have cured him of unbelief.

I beg You, Lord, allow me to take refuge in Your Holy Wounds and for merit of these signs of Your Love, I cure my lack of faith.

Oh Jesus, by the merits of Your Passion, Death and Resurrection, give me the grace to live the fruits of our redemption.

Amen.
