

CONSECRATION OF JESUS OF THE HOLY WOUNDS

Beloved Jesus, Lord of the Holy Wounds.

You wanted to preserve in your Glorious Body the scars of Your five Wounds, so that they may be a reminder of Your Passion, a proof of Your Resurrection and of the victory over death and sin.

Through Your blessed Wounds, I consecrate my life and actions, pains and sufferings so that each day I can serve You and spread Your love.

I give you my whole being, my freedom, my memory, my understanding, my will, do with me as you wish, Lord.

Help me in the mission of messenger of devotion to Your Holy Wounds.

Give me a big, generous, humble heart that can sympathize and welcome those in need.

Take me wherever you want to go and put the words you want to speak in my mouth.

Make it Lord so that always bearing Your Holy Wounds imprinted in mind and heart, I may take from them abundant fruits of grace and virtue for me and for all that I visit in Your Name.

Make it Lord so that in venerating Your Holy Wounds, we may deserve to enjoy in Heaven the redeeming fruit of Your Blood.

Amen.
