

## NOVENA OF JESUS OF THE HOLY WOUNDS

+By Your Holy Wounds

+Your Glorious Wounds

+Christ Lord, protect me and save me.

Lord Jesus, You were raised on the cross, in order that by Your Holy Wounds,  
those of our souls are healed.

I praise You and thank You for Your redemptive act.

You carry in Your own body my sins and of all mankind.

In Your Holy Wounds, I place my intentions,

My worries, anxieties and anguishes.

My physical and psychological illnesses.

My sufferings, pains, joys and needs.

(moment of silence)

In your Holy Wounds, I put my family.

Oh Lord, envelop me and my family, protecting us from evil.

Lord, by showing Your Glorious Holy Wounds to Thomas and having him touch Your open side,

You have cured him of unbelief.

I beg You, Lord, allow me to take refuge in Your Holy Wounds and for merit of these signs of  
Your Love, I cure my lack of faith.

Oh Jesus, by the merits of Your Passion, Death and Resurrection, give me the grace to live the  
fruits of our redemption.

Amen.
